PHELPS HALL BIBLE TRAINING SCHOOL

TO ALL COLORED CHURCHES

WHY not surprise your minister by giving him a vacation? From June 17 to July 12, 1912, there will be a Summer School in session in connection with Phelps Hall Bible Training School at the Tuskegee Normal and Industrial Institute for ministers.

While all ministers will be welcomed and helped and strengthened for their work, the special object of this Summer School will be to give instruction to ministers who have churches in the country districts. Eighty per cent. and more of our people live in the country and our special object of this Summer School will be to show the ministers how to strengthen their work among the people in the rural districts.

There will be no cost for instruction. The only cost will be \$10.00 for board during the four weeks. Let the officers of the churches collect enough money to pay the traveling expenses and board of their ministers while they

come to Tuskegee to take this course.

The minister will return to his congregation with new ideas, new strength in body and mind and will more than repay the church for the Those who want to have their ministers take this course should corre-
